QUEM SOMOS ABOUT US *À PROPOS DE NOUS*

A GROW Engineering é uma empresa multinacional que atua no setor da construção e engenharia. A nossa estratégia de diferenciação assenta na utilização dos mais modernos processos de produção aliados a um nível de qualidade superior. Garantimos a atenção nos detalhes respeitando o cumprimento dos prazos, sempre focados na satisfação total do cliente. Integramos um Grupo empresarial, o IBG - International Business Group, que agrega diversas empresas e marcas nos ramos da construção, imobiliário, serviços e indústria. As sinergias e valências do Grupo como um todo permitem-nos dar uma resposta mais completa e competitiva. Com obras em diferentes pontos do globo ambicionamos ter um papel relevante nos países onde atuamos, fazendo parte do seu crescimento Social, Económico e Humano.

Juntos construimos um futuro melhor.

Grow Engineering is a multinational company that operates in the construction and engineering sectors. Our differentiation strategy is based on the use of the most modern production processes combined with a superior quality level. We guarantee attention to detail respecting the deadlines, always focused on total customer satisfaction. We integrate a business group, IBG - International Business Group, which brings together various companies and brands in the branches of construction, real estate, services and industry. The synergies and strengths of the Group as a whole allow us to provide a more complete and competitive response. With projects in different parts of the globe we aspire to play a relevant role in the countries where we operate, as part of its Social, Economic and Human growth.

Together building a better future.
